An APNIC Funding Model

David R Conrad

Internet Initiative Japan, Inc.

Funding Based on Charging

- Charge for services
- Encourage people to go the “right place”
- Cause minimal pain to “customers”
- Cause minimal grief to APNIC

The Menu

- IP address allocation
  - » USD 150.00 + 0.10 per end host address
- DNS Delegation
  - » USD 50.00
- IP address reassignment
  - » USD 15.00 + 0.01 per end host address
